

# FERC eMail for Depositions

## Searching

To search over the entire collection of pages, click on the "Search documents" button below or the toolbar icon labeled "Search", and enter a text string. This may be done from **any page** you are viewing. The Search result window will list the documents found. Click on a document in the Search result window to display that document. Use the back arrow button, on the tool bar to return to this document.

## Individual collections of documents
